B Payment Schedule	5

1 Parties

This Agreement is entered into on the date of 19/03/2024, by and between:

- BookCook, now referred to as the "Buyer",
- DocDuck, now referred to as the "Seller".

2 Scope of Work

The Seller agrees to provide the Buyer with the following media as described in APPENDIX A attached.

3 Payment

In consideration for the Media, the Buyer agrees to pay the Seller the total amount of £ 900, according to the payment schedule outlined in APPENDIX B attached.

4 Delivery

The Seller agrees to deliver this Media to the Buyer by the date of 26/03/24. The delivery method and specifications are outlined in APPENDIX A.

4.1 Non-Delivery

In the event that the Seller fails to deliver the Media by the agreed delivery date, the Buyer shall provide a notice to the Seller indicating non delivery.

4.2 Non-Delivery Remedies

Upon receipt of the notice of non-delivery, the Seller will have 7 days to amend the non-delivery and deliver the Media to the Buyer. If the Seller fails to cure the non-delivery within the specified period, the Buyer may choose one or both remedies:

1. Terminate the Agreement and receive a full refund of all payments made.
2. Extend the delivery date, with appropriate adjustments to the payment schedule

5 Non-Conformance with Specifications

5.1 Specifications and Quality

The Seller agrees to provide media that meet the specifications outlined in APPENDIX A. The Seller further agrees that the provided text field library will meet standards for quality.

5.2 Inspection and Acceptance

Upon receipt of the media, the Buyer shall have a period of 3 days for inspection to ensure conformity with specifications. If the media does not meet the specifications or the agreed-upon quality standards, the Buyer will provide notice to the Seller specifying the non-conformance.

5.3 Seller's Obligation on Non-Conformance

Upon notice of non-conformance, the Seller must investigate and amend the non-conformance. The Seller will bear all costs associated with correcting the non-conformance.

5.4 Non-Conformance Remedies

If the Seller fails to cure the non-conformance within the time frame of 7 days , the Buyer may:

1. Reject the non-conforming text field library and request a refund.
2. Request a replacement text field library that meets the agreed-upon specifications.
3. Allow the Seller a reasonable opportunity to correct the non-conformance.

6 Intellectual Property

The Seller represents and warrants that they have the right to sell the Media and that the Media does not infringe on any third-party intellectual property rights.

7 Termination of Contract

Either party may terminate this Agreement with written notice if the other party breaches any material terms of this Agreement. In the event of termination, the Buyer shall pay for any services or deliverables provided up to the termination date.

8 Signature and Date

All prior agreements, whether verbal or written, have been replaced by this Agreement, which represents a complete understanding between the parties.

The parties have executed this purchase agreement as of the effective date: 19/03/2024

8.1 Buyer:

Company Name:	BookCook
Signatory Name:	Jack Hiles
Signatory Position:	Project Manager
Signature:	
Date:	19/03/24

8.2 Seller:

Company Name:	DocDuck
Signatory Name:	James Stevenson
Signatory Position:	Project Manager
Signature:	
Date:	19/03/24

A Description of Media and Delivery Specifications

The Seller is asked to produce a Java Library (the "Library"). The Software is expected to be delivered in the form of source code. BookCook requires DocDuck to develop a Library to allow for text input. The Library must:

- Use the [JavaFX](#) library for displaying the text box
- Allow for a text box to be displayed on the screen wherein a user is able to enter text
- The user's inputted text is to be extracted from the class as a String
- Allow for the following parameters to be set:
 - The position of the text box on screen
 - The height and width of the text box
 - The font of the text
 - The colour of the font
 - The colour of the highlight
 - The colour of the highlighted text
 - The colour of the border
 - The colour of the background
 - The colour of the prompt text
 - The coordinate origin of the text box, either the top-left corner or centre
 - The initial content of the text box
 - The prompt text
 - The font size
 - The text origin within the box
 - The border width
 - Add or remove the border
 - Add or remove the background
 - The corner radius of the border
 - The background colour when the box is hovered over
 - The background colour when the box is selected
 - Whether the text entered is hidden or shown

In addition, the seller agrees to provide a user manual upon deliver and agrees to provide unlimited bug support for the agreed features. The seller agrees to provide additional features upon request, at the buyers cost at the rate of £20 per man hour. In addition, the Seller agrees to provide an additional User Manual and unlimited bug support for the Text and Graphics libraries outlined in the contracts titled "Group 1 Contract A" and "Group 1 Contract B" signed on 15/12/2023.

B Payment Schedule

19/03/24	Placement of contract (25%)	£225.00
26/03/24	Delivery of contracted media (50%)	£450.00
29/03/24	Acceptance of media (25%)	£225.00
