

Text Contract Amendment

DocDuck - SWEng Group 1

February 20, 2024

1 Amendments

This Contract Amendment is made between Bookcook and DocDuck on the date of the 20th of February 2024. This amendment is to the contract titled "Group 1 Contract B" Signed on 15/12/23.

The amendments are as follows:

- The removal of the requirement: "define the source file (URL) of the text" as described in Appendix A of the contract.
- The addendum of the requirement: "text library will take a String storing the content of the text to be displayed" to Appendix A of the contract.

The above changes are the only changes to the original referenced contract. The remainder of the original contract will remain in full force and effect.

Should any conflicts occur between this Amendment and the original Contract or any previous Amendments, the terms of this Amendment shall prevail. This Contract Amendment will become effective upon the signatures of both parties.
